A floor plan diagram of a roof deck. On the left is a large semi-circular area. To its right is a rectangular area labeled "Open To Below". Inside this rectangle, at the top, is a staircase labeled "Dn" with a downward arrow. Below the "Open To Below" area is a dashed rectangular boundary. The entire lower area is labeled "Roof Deck". There are three stippled rectangular areas: one in the semi-circular area, one inside the dashed boundary, and one to the right of the "Open To Below" area. A thick black line runs along the top edge, with a small rectangular protrusion on the right.
