This is a floor plan of a 2-car garage. The space is mostly open, with a staircase located on the right side. The staircase is represented by a series of parallel lines and a curved line indicating the direction of travel. A thick black line runs vertically along the right wall, and a curved line at the bottom right corner indicates a door or a change in wall direction. The text '2 Car Garage' is centered in the main area of the plan.

Up

A floor plan diagram showing a room layout. On the left is a large rectangular area labeled "Roof Deck" with a grid pattern. To its right is a large rectangular area labeled "Den". At the top right of the "Den" area is a staircase with two "Dn" (down) labels and arrows indicating the direction of travel. The entire plan is enclosed by a thick black border.

A floor plan diagram of a 2-car garage. The main area is a large rectangle. In the top right corner, there is a staircase area with a grid pattern. A thick black vertical line runs along the right wall of the staircase. A curved line indicates the entrance to the staircase, with the word "Up" written next to it. The entire plan is enclosed in a thick black L-shaped border.

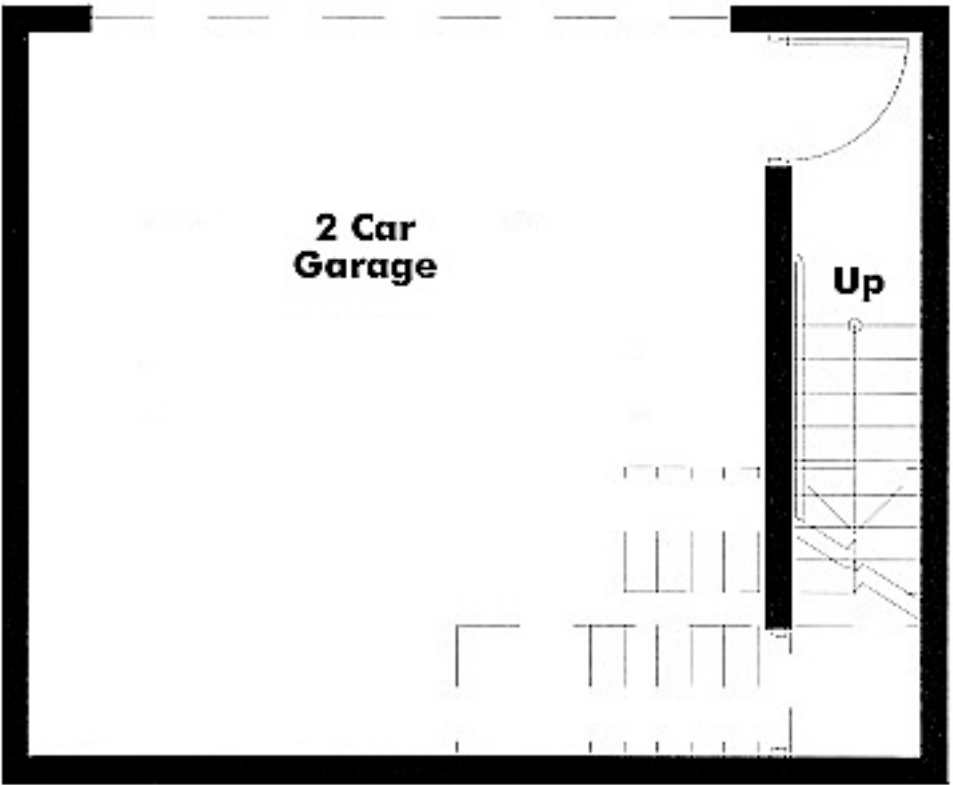

A floor plan diagram showing a large rectangular area on the left labeled "Roof Deck" and a smaller area on the right labeled "Den". The Roof Deck is filled with a grid pattern. The Den is mostly empty. A staircase is located at the top of the Den, with two "Dn" (down) labels and arrows indicating the direction of travel. The staircase is enclosed by a wall. The entire plan is framed by a thick black border.
