A floor plan diagram showing a rectangular area divided into two sections. The top section is labeled "Open To Below" and the bottom section is labeled "Loft". A staircase, represented by a series of horizontal lines, is located on the right side of the "Open To Below" section, leading down to the "Loft" section. The label "Dn" is placed at the bottom of the staircase. The entire area is enclosed by a thick black border.

Loft

A floor plan diagram showing a loft area and an open area below. The loft is a large rectangular space at the top. Below it is a larger open area. A staircase labeled 'Dn' is on the right side of the open area. The left boundary of the open area is a complex, jagged line. The bottom boundary of the open area is a straight line with two small rectangular features. The text 'Loft' is in the upper area, 'Open To Below' is in the lower area, and 'Dn' is next to the staircase.

A floor plan diagram of a building. The plan features a thick black border representing the exterior walls. The interior is divided into several areas. At the top is a rectangular area labeled "Loft". Below the Loft is a large rectangular area labeled "Open To Below". To the right of the "Open To Below" area is a staircase labeled "Dn" (Down), represented by a vertical line with horizontal rungs. At the bottom of the plan is a rectangular area labeled "Balcony", which is connected to the main interior space by a narrow passage. The "Loft" area has a small rectangular protrusion on its left wall. The "Balcony" area is enclosed by a thin black line.

Loft

A black and white floor plan of a loft. The loft is an irregular polygonal shape. On the right side, there is a staircase with 8 steps, labeled 'Dn' at the top. A line connects the top of the staircase to the bottom of the loft. Below the loft, there is a rectangular area with a diagonal line and a thick black rectangle, possibly representing a door or a partition. The text 'Open To Below' is written in the lower part of the loft area.

Loft
